Why ORAU

• Trusted Expertise—ORAU’s seasoned professionals and award-winning solutions have helped secure national and global health since 1946 by getting the right public health message to the right audience.

• Our Solutions Change Lives—Our key customers include a variety of leading public health organizations, such as the CDC, FDA, EPA and the Appalachian Regional Commission. Whether delivering HPV messaging to physicians and parents across the U.S., preventing transmission of Ebola in Africa, or addressing the opioid crisis in Appalachia, we help our customers navigate complex health issues and motivate behavior change.

Designing a social media hashtag campaign to promote healthy schools for the CDC
  • 9 million impressions
