2021 Instructor-Led Courses

**Applied Health Physics** - $9,995
- August 2 - September 3, 2021

**Gamma Spectroscopy** - $1,995
- December 6-10, 2021

**Medical Radiation Safety Officer** - $1,995
- **Webinar** February 1-12, 2021
- October 4-8, 2021

**MARSAME** - $1,595
- November 1-4, 2021

**MARSSIM** - $1,995
- October 25-29, 2021

**Radiation Safety Officer** - $1,995
- **Webinar** February 1-12, 2021
- October 4-8, 2021

**Site Characterization in Support of Decommissioning: Planning, Implementation, and Evaluation** - $1,995
- October 18-22, 2021

For More Information and/or Registration:
www.orau.org/ptp • 865-576-3576 • registrar@orau.org
2021 Online Courses

Applied Health Physics I – Fundamental Concepts and Detector Technologies - $1,999

Operational Health Physics I – Instrumentation Calibration, Preparation, and Use, Radiation in Industry, and External Dosimetry - $1,999

Operational Health Physics II – Air Sampling, Internal Dosimetry, Neutrons, Decommissioning, Waste, Non-Ionizing, and Transportation - $1,999

Health Physics Statistics - $1,995

Introduction to Radiation Safety - $1,197

MARSSIM - $1,995

MARSSIM for Managers - $399

MARSAME - $1,595

Occupational Internal Dosimetry - $1,995

Site Characterization - $1,995
