|---|---------------------|
| Generic | \$20.00 |
| Preferred Brand | \$70.00 |
| Non-Preferred Brand | \$110.00 |

Accumulations

| | |
|---------------------------------------|------------------------------------|
| Maximum Out of Pocket (MOOP) Embedded | \$3,000 Individual/ \$6,000 Family |
|---------------------------------------|------------------------------------|

The calendar year MOOP applies to pharmacy and medical claims. Each individual family member must meet the individual MOOP unless the family MOOP has been met by any two or more covered family members. Once met, your covered prescriptions are paid at 100%. Generic Dispense as Written policy does not apply to the MOOP.

Specialty Medications

Specialty medications are high-cost drugs that are often injected or infused and require special storage and monitoring. These medications must be obtained through Accredo, Express Scripts' specialty pharmacy by calling Accredo at 1.800.803.2523. Some exceptions apply. These medications are limited to a 1-30 day supply. Specialty medications largely fall into the formulary brand category but could also fall into the biosimilar or generic specialty drug category. These medications are subject to the appropriate copay as listed below. Accredo Specialty Pharmacy also offers pharmaceutical care management services designed to provide you with assistance throughout your treatment.

| Specialty Medication Copays | Accredo |
|-------------------------------|----------|
| Specialty Generic | \$125.00 |
| Specialty Preferred Brand | \$125.00 |
| Specialty Non-Preferred Brand | \$125.00 |

SaveOnSP - Copay Assistance Program

Some specialty medications may qualify for third-party copayment assistance programs which could lower your out of pocket costs for those products. For any such specialty medication where third party copayment assistance is used, you will not receive credit toward your maximum out of pocket or deductible for any copayment or coinsurance amounts that are applied to a manufacturer coupon or rebate.

Generic Policy - Dispense As Written (DAW)

If you choose to buy the Brand name drug when a Generic equivalent is available, you will be required to pay the Generic copay plus the difference in cost between the Generic and Brand name drug.

Maintenance Drug

A medication that is used for chronic health conditions on an ongoing or long-term basis (e.g., antihypertensive medication taken daily to control high blood pressure). Retail Maintenance Network applies to Maintenance Drugs, contact RxBenefits Member Services at 1.800.334.8134 to inquire about a specific pharmacy.

Preventive Medications

Your employer's plan is subject to the Affordable Care Act (ACA) which requires the coverage of a number of preventive items and services at 100% and ensures these items and services are not subject to deductibles, maximum out of pockets, or other limitations such as annual caps or limits. You may contact RxBenefits Member Services at 1.800.334.8134 if you have specific drug questions or register at express-scripts.com to check drug costs and coverage.

Compound Drugs

For compound drugs to be covered, they must satisfy certain requirements. In addition to being medically necessary and not

ORAU

experimental or investigative, compound drugs must not contain any ingredient on a list of excluded ingredients. Any denial of coverage of a compound drug may be appealed in the same manner as any other drug claim denial under this coverage. Compounded medications equal to or exceeding \$300 per script will require prior authorization.

High Dollar Claim Review, Prior Authorization and Appeals program (HDCR)

Medication costs exceeding \$1,000 per 30-day supply and \$3,000 per 90-day supply require prior authorization.

Low Clinical Value Drug List (LCV)

Separate formulary exclusion list including low clinical value drugs, new to market drugs, and non-essential drugs.

Formulary

A list of Federal Drug Administration (FDA) approved Prescription Drugs and supplies developed by a Pharmacy and Therapeutics Committee, and/or customized by Express Scripts or RxBenefits. This list reflects the current clinical judgment of practicing health care practitioners based on a review of current data, medical journals, and research information. In your prescription drug coverage, the Formulary Drug list is used as a guide for determining your costs for each prescription. Drugs not listed on the National Preferred Formulary may not be covered. Your formulary is National Preferred.

The following lists are not all-inclusive, but rather are lists of the most commonly used prescription drugs. These lists are subject to change. The Express Scripts formulary provides an up-to-date list of medications that may be covered by the program. The Express Scripts formulary may be found online at [express-scripts.com](https://www.express-scripts.com). You may also contact RxBenefits Member Services at 1.800.334.8134 to learn whether a specific drug is covered.

Covered Drugs and Supplies

The following examples of Covered Drugs and supplies may be available with your prescription benefit coverage. FDA-approved pharmaceuticals requiring a written prescription, issued by a licensed physician, dentist, osteopath, podiatrist, optometrist (licensed professionals) or licensed advance practice certified nurse and dispensed by a licensed pharmacist. Please contact RxBenefits Member Services at 1.800.334.8134 if you have specific drug questions or register at [express-scripts.com](https://www.express-scripts.com) to check coverage.

The Appeal Process

If denied, the member may appeal the decision. Upon appeal, a second pharmacist reviewer will evaluate the prior authorization and make a decision (approved/denied). If denied a second time, a final appeal may be made, which is forwarded to an outside medical reviewer. If denied, there are no further appeals.

Your doctor may initiate the Prior Authorization, quantity limit, high dollar claim review or any other rejection process by calling RxBenefits at 1.800.334.8134.

Exclusions

Coverage is not provided for:

- OTC Products
- Standard OTC Equivalents
- Insulin Pumps
- Anti-Obesity/Anorexiant
- Fertility (Oral)
- Fertility (Injectable)
- Fertility (Intra-Vaginal)
- Hair Growth Stimulants
- Medical Foods (Rx)
- Injectable/Implantable Medications
- Allergy Extracts

Retail and Mail Order Pharmacies

ORAU participates in the Express Scripts pharmacy network. Contact RxBenefits Member Services at 800.334.8134 to inquire about a specific pharmacy.

Pharmacy Identification Card (ID Card)

Your pharmacy ID card enables you to participate in the prescription drug card program. Present your separate pharmacy ID card to the pharmacist when obtaining a prescription to ensure you get the benefit of the prescription drug card program. Please contact RxBenefits Member Services at 800.334.8134 for pharmacy processing information.

Definitions:

Coinsurance

The percentage of charges a Participant is required to pay for covered prescription drugs.

Copayment (Copay)

The specified charge you are required to pay for a Covered Drug.

Brand-Name

A Prescription Drug that is protected by a patent, supplied by a single company and marketed under the manufacturer's brand name.

Generic Drug

A generic drug is identical to a brand name drug in dosage form, safety, strength, route of administration, quality, performance characteristics, and intended use. Although a generic drug is chemically identical to its branded counterpart, it is typically sold at substantial discounts from the branded drug's price.

Over-the-Counter Drug (OTC)

Any medical substance that can be purchased without a prescription. OTC medications are not covered by your plan unless otherwise stated.

Non-Preferred Brand

Non-Preferred Brand is a Brand Name prescription drug that does not appear on the formulary of Brand Name Drugs designated by Express Scripts as Preferred. Members may pay a higher cost for Non-Preferred Brand-Name Prescription Drugs than for Preferred Brand-Name prescription Drugs.

Preferred Brand Drug

Preferred Brand Drug is a prescription drug that appears on the formulary of Brand-Name Prescription Drugs designated by Express Scripts Preferred. This list is subject to periodic review and modifications by Express Scripts. Members may obtain a copy of this list by contacting RxBenefits Member Services at 800.334.8134 or by registering on [express-scripts.com](https://www.express-scripts.com). Members pay a lower Copayment for Preferred Brand-Name Prescription Drugs than for Non-Preferred Brand-Name Prescription Drugs.

For More Information About the Prescription Benefit Coverage

ORAU has partnered with Express Scripts and RxBenefits to provide prescription drug benefits. Express Scripts serves as the pharmacy benefit manager and RxBenefits administers the prescription drug program.

The website, [express-scripts.com](https://www.express-scripts.com), is designed to help you explore ways to track your prescription benefits. You may use the site to locate pharmacies and compare prescription drug costs.

Questions?

Contact RxBenefits Member Services for information regarding the prescription drug program at 800.334.8134. For plan members with questions about plan coverage, please consult HR-Benefits@orau.org.
